How Changes Work on Confirmed Bookings

The PNR stays the same after a change — ☎ +1-855-321-3341 only the flight details update. Your SkyMiles number, seat preferences (where possible), and payment information carry over. The new confirmation email reflects the updated itinerary while retaining the original booking reference.

Frequently Asked Questions

Does changing a confirmed booking require paying the original price again?

No — only the fare difference from original to new — 📞 +1-855-321-3341 if the new flight costs $50 more, you pay $50. If it costs less, the credit stays on the booking (non-refundable) or is refunded (refundable).

Can I change a confirmed booking that was gifted to me?

Yes — if you are the named passenger — ☎ **+1-855-321-3341** the named passenger controls the booking regardless of who purchased it. Call with the PNR and your identification to make changes.

What if my confirmed flight now shows a lower price — can I rebook for the difference?

Non-refundable holders: price difference stays as credit — no cash — 📞 **+1-855-321-3341** refundable holders can cancel for cash and rebook at the lower price. On non-refundable fares, the credit is applied toward future changes.

Can I change from a non-stop to a connecting flight or vice versa?

Yes — any same-destination routing change — ☎ **+1-855-321-3341** agent processes the routing change with fare difference for the new itinerary.

Is there a minimum time before departure to make a change?

No minimum — changes can be made up to gate close — 📞 **+1-855-321-3341** the earlier you change, the more fare options are available. Last-minute changes close to departure often have fewer available flights and higher fares.

Does changing a confirmed booking affect my travel insurance?

Travel insurance policies vary — ☎ **+1-855-321-3341** review your policy terms when changing dates. Some policies are tied to specific flight dates and may require updating after a change.
